

Washington State Department of Transportation/Eastern Region—2714 N. Mayfair, Spokane, WA 99207

May 30, 2002 CONTACT: Al Gilson, Public Information Officer (509) 324-6015

**WSDOT Construction Activity & Possible Delays/May 30-June 9, 2002**

This update is also available by calling 1-800-695-7623, extension 511.

**US 2/Almira to Wilbur (Lincoln Co. Line to SR 21, MP 207-220)** –Project completed.

**US 2/Airway Heights Crosswalk Enhancements (MP 277-278)**– Work is under way on this project to add special crosswalk improvements. Motorists may see some lane restrictions with possible congestion.

**HIGH IMPACT!! SR 20/Colville High School to Narcisse Road (MP 355.94-363.61)**– Motorists can expect increased truck traffic in the area due to the hauling of rock materials. One way piloted traffic control is in place. Motorists can expect delays of up to 20 minutes from 7 a.m. to 7 p.m., Monday thru Friday, and slow travel speeds within the work zone. Crews are also performing drainage work and installing piping. Motorists can expect slow traffic due to the graveled roadway and should be alert for flaggers and other construction personnel.

**NEW!! HIGH IMPACT!! SR 21/Keller Ferry-** The Keller Ferry will be out of service for unscheduled engine repairs beginning at 6:00 a.m. on Thursday, June 6<sup>th</sup>. Service is scheduled to resume at 6:00 a.m. on Friday, June 7. During this time, motorists are advised to use alternative state routes. North/south traffic may use SR 155 via SR 174 through Coulee Dam, west of the ferry.

**I-90/SR 261 Ritzville to Tokio & Wellsandt Road Overcrossing (MP 218-231)** – Crews are continuing work on roadway shoulders, as well as signing and seeding. Weather dependant, crews will also be performing roadway crack and fog sealing work. Motorists should be aware of possible lane restrictions on I-90 and SR 261.

**I-90/Barker Road Interchange (MP 294)**– This new signal system is fully active. Also, motorists may see some lane restrictions, at times, for minor striping work.

**I-90/Greenacres Interchange-Exit 294 (MP 294)**– This interchange, in the Spokane Valley between Barker Rd. and Liberty Lake, has been closed to allow for adjacent arterial street work. The work remaining is estimated to take about 2 more weeks. This is a Spokane County project. For information call (509) 477-3600.

**I-90/Harvard Road Interchange (MP 296)**– Crews are performing roadway excavation work and paving of roadway shoulders. Motorists should be alert for narrow shoulders on westbound I-90. Also, expect minor lane restrictions on eastbound Indiana Avenue and westbound I-90.

Weekly Update  
May 30, 2002

**I-90/Sullivan Road Interchange (MP 291)-** Crews are doing striping work and project clean-up in the interchange vicinity. Motorists should expect minor lane restrictions due to work on roadway shoulders. Drivers should be on the alert for flaggers and construction personnel in and adjacent to the roadway. Project to be completed and opened to traffic on Monday afternoon, June 3rd.

**NEW!! SR 270/Pullman City Limits to Spring Street (MP 0.00-2.82)-** Work on this paving project through downtown Pullman is scheduled to begin Thursday, June 6. At that time, motorists can expect possible lane closures and minor delays throughout the project limits.

**NEW!! SR 290/Sullivan Road to the Idaho State Line (MP 10.35-18.38)-** Work on this paving project is scheduled to begin on Thursday, June 6. Crews will also be performing guardrail and channelization work. Motorists can expect lane closures and minor delays during duration of work.

**HIGH IMPACT!! SR 290-Trent Avenue/Spokane River Bridge (MP 0.4-0.6)-** Work is under way on this bridge replacement project between downtown and Hamilton Street. Trent Ave. is closed to through traffic between Riverpoint Blvd. and Cincinnati Street. Detours are fully signed. Access to all businesses on Trent is available. This is a long-term closure.

**HIGH IMPACT!! SR 290-Trent Avenue/Fancher Road to Sullivan Road (MP 4.3-10.3)-** Work continues; crews are performing planing and paving work. Night paving is scheduled to take place beginning Monday, June 3<sup>rd</sup>, 6:00 p.m. (weather permitting) and will continue through the week. Motorists should expect possible lane closures and delays from Bradley Road to Argonne Road. Some lane restrictions can be expected throughout the entire project for the grading, drainage, sign, and illumination work.

**HIGH IMPACT!! US 395/Arden to Colville (MP 219-229)-** Work on this pavement overlay project is underway. Crews are working with shoulder items. Through Sunday, June 2<sup>nd</sup>, motorists can expect 24-hour single-lane traffic controlled by flaggers, with possible delays, from 2 miles south of Arden within the project limits.

**HIGH IMPACT!! US 395/Colville Main Street (MP 228-229)-** Extensive work is now under way in downtown Colville. Minor detours are in place on 3<sup>rd</sup> Street due to concrete intersection work at 3<sup>rd</sup> and Main Street. Sidewalk work is underway on Main Street. Main Street is reduced to one lane in each direction. All businesses are open. This is a City of Colville project.

**U.S. 395-North Spokane Corridor/Hawthorne to U.S. 2-** Work continues. Parksmith Road closed to through traffic between Hawthorne Road and Market Street. Motorists should use Hawthorne as an alternate route. Full access to all businesses on Parksmith is open.
